UST-14, SUMMARY OF DEPOSITS & DISBURSEMENTS

INSTRUCTIONS: BEFORE COMPLETING THIS PAGE, prepare a UST-14 CONTINUATION SHEET (see next page) for each bank account or other source of the debtor's funds. The deposit and disbursement total from each CONTINUATION SHEET will be used to complete this SUMMARY.

The debtor is responsible for providing an accurate monthly disbursement total for the purpose of calculating its obligation pursuant to 28 U.S.C. § 1930 (a)(6) to pay statutory fees to the United States Trustee. The disbursement total encompasses all payments made by the bankruptcy estate during the reporting month, whether made directly by the debtor or by another party for the debtor. It includes checks written and cash payments for inventory and equipment purchases, payroll and related taxes and expenses, other operating costs, and debt reduction. It also includes payments made pursuant to joint check arrangements and those resulting from a sale or liquidation of the debtor's assets. The only transactions normally excluded from the disbursement total are transfers within the same reporting month between multiple debtor accounts.

A fee payment is due within 30 days after the end of each calendar quarter, or on **April 30, July 31, October 31, and January 31**, respectively. Since the amount billed is an estimate, the debtor is responsible for paying the correct statutory fee based on its actual disbursements for the calendar quarter, or portion thereof the debtor was in Chapter 11. Failure to pay statutory fees to the United States Trustee is cause for conversion or dismissal of the case. A copy of the statutory fee schedule may be found attached to this report. If you have questions computing the disbursement total, contact the Bankruptcy Analyst assigned to your case at (206) 553-2000.

Significant Events and Case Progress December 2018:

The company experienced an operating loss in December of \$6,647 compared with an operating loss of \$20,066 in November.

The Court authorized the Trustee to sell remaining property of the estate per order of July 10, 2018. NWTM sent miscellaneous collector numismatic pieces from inventory to a dealer for sale on consignment. Approximately half of the estimated value was received in December. The remainder we anticipate receiving by the end of February.

The Company is working on backing up all data and moving it from the servers housed at Greenhouse to a different location in order to reduce the cost of maintenance of the data.

The company has terminated all remaining employees as of 9/30/2018. The Trustee will obtain services necessary to the administration of the estate on a consulting basis from certain former employees as necessary.

Trustee will continue to liquidate the estate's assets in Chapter 11 and distribute the liquidation proceeds subject to a court order. The proceeds will pay administrative claims. All WARN Act approved claimants and related counsel fees have been paid, leaving \$3,000 left to be paid for the class representative's fee. Pursuant to Court order, two allowed administrative claims totaling \$15,500 will be paid forty percent distributions on their allowed claims leaving an unpaid allowed balance totaling \$9,300 on these administrative expense claims. All other Court approved Administrative claims have been paid in full. The Trustee does not anticipate distributions to the General Unsecured Creditors.

What To Do If You Think You Find A Mistake on Your Statement: If you think there is an error on your statement, write us at: KeyBank N.A., P.O Box 93885, Cleveland, OH 44101- 4825.

In your letter, give us the following information:

- **Account Information :** Your name and account number.
- **Dollar Amount :** The dollar amount of the suspected error.
- **Description of the Problem :** If you think there is an error on your bill, describe what you believe is wrong and why you believe it was a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Explanation of Finance Charge: Your Finance Charge attributable to interest (hereinafter referred to as interest) is computed using the Average Daily Balance method.

Average Daily Balance method (Balance Subject to Interest Rate): Your interest is computed on all purchases and cash advances (collectively “advances”) from the date each advance is posted until we receive payment in full (there is no grace period). We figure the interest on your line of credit by multiplying the daily periodic rate by the “Average Daily Balance” of your line of credit (including current transactions) and multiplying by the number of days in the billing cycle. To get the Average Daily Balance we take the beginning balance of your line of credit each day, add any new advances or debits, and subtract any payments and credits, any non-financed fees and unpaid interest. This gives us the daily balance. Then we add up all of your daily balances in the billing cycle and divide this total by the number of days in the billing cycle to get your Average Daily Balance.

CREDIT INFORMATION: If you believe we have reported inaccurate information about your account to a credit reporting agency, you may contact the credit reporting agency or write to us at:

IMPORTANT LINE OF CREDIT INFORMATION

What To Do If You Think You Find A Mistake on Your Statement: If you think there is an error on your statement, write us at: KeyBank N.A., P.O Box 93885, Cleveland, OH 44101-4825.

In your letter, give us the following information:

- Account Information : Your name and account number.
- Dollar Amount : The dollar amount of the suspected error.
- Description of the Problem : If you think there is an error on your bill, describe what you believe is wrong and why you believe it was a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Explanation of Finance Charge: Your Finance Charge attributable to interest (hereinafter referred to as interest) is computed using the Average Daily Balance method.

Average Daily Balance method (Balance Subject to Interest Rate): Your interest is computed on all purchases and cash advances (collectively “advances”) from the date each advance is posted until we receive payment in full (there is no grace period). We figure the interest on your line of credit by multiplying the daily periodic rate by the “Average Daily Balance” of your line of credit (including current transactions) and multiplying by the number of days in the billing cycle. To get the Average Daily Balance we take the beginning balance of your line of credit each day, add any new advances or debits, and subtract any payments and credits, any non-financed fees and unpaid interest. This gives us the daily balance. Then we add up all of your daily balances in the billing cycle and divide this total by the number of days in the billing cycle to get your Average Daily Balance.

CREDIT INFORMATION: If you believe we have reported inaccurate information about your account to a credit reporting agency, you may contact the credit reporting agency or write to us at:

Cleveland, Ohio 44101-4518
